

New "Shopping Bag" page

Martina Tan
Muddy Paws

click  icon → bag

editable
fields on
the page;
a row for
each
specific
product
and size/
color.

LOGO menu — — — — — 

YOUR BAG: 1 item
return to Shop

Product	Quantity	Cost
<input checked="" type="checkbox"/> Name Specs 	<input type="text" value="2"/> 	\$30 (\$15 each)
<input checked="" type="checkbox"/> Name Specs 	<input type="text" value="1"/> 	\$12 (\$12 each)

CHECKOUT

Subtotal \$38\$
Tax & Fees \$38\$
Est. total \$38\$
Shipping \$5\$
ORDER TOTAL \$38\$
CHECKOUT

← return to Shop Page

← order summary

← shipping option can be pickup in-store

I did not have a Shopping Bag page
in my earlier prototypes, so there are
no little changes from previous to discuss.
